April 15, 2010

There will be a Traffic & Safety Meeting on **Wednesday, May 19, 2010 at 6:00 PM** at the Cudahy Municipal Building, 5050 S. Lake Drive, Cudahy, WI

AGENDA

Call to order and roll call.

Statement of Public Notice.

1. Discussion and appropriate actions regarding the request of Milwaukee County Transit to relocate a bus stop on Packard from Somers to Holmes (west side of the street).
2. Discussion and appropriate action on the Request to install "No Parking" on the north side of Layton as measured along the Layton curb line from the intersecting curb line of KK to 90' east of the east curb line of KK. This request came from a concern from our Police Department and drivers going south bound on the new section of KK. If they are making a left turn to go east bound on Layton they cannot see approaching west bound vehicles because parked cars are blocking their view. We will also need County approval.
3. Discussion and appropriate action on the Request to install "No Parking" on the east and west sides of Kingan @ Layton (north and south) from Layton to 25' north and south of Layton. This request came from a concern from our Police Department. Vehicles are parking in the bump out area.
4. Discussion and appropriate action on allowing 2 hr parking in front of 3560 E. Layton. The City of Cudahy has been approached by the business owners along the south side of Layton Avenue near the intersection of Packard Avenue. They are requesting parking be allowed in front of their businesses. Currently there is no parking from Packard Avenue to about 300' west of Packard on Layton. There is a parking restriction to accommodate turn movements on Layton @ Packard. There is also a bus stop right at the corner and an alley about 200' west of the intersection of Packard. The City has talked with the County and the County is willing to approve 2 hour parking from the alley west. Layton has a 2 hour parking restriction from 8:00 a.m. to 6:00 p.m. to the west of this area. No parking would remain in affect from the alley east to Packard. The County would charge the City for removing and repainting the turn lanes.

Adjourn.

Your presence is requested.
